

CINEA Cross-Programme Buildings Clustering Meeting

21-22 May 2024, Brussels

COMET Louise (Place Stéphanie 20, 1050 Brussels)

Objective:

To showcase / illustrate **EU-funded projects' achievements** on the ground, which help deliver the **energy transition** in the **buildings sector**.

- Present and discuss **best practices, market successes, and policy support actions** in **EU-funded projects** (LIFE CET & Climate, H2020, Horizon) for the **buildings and energy efficiency** sectors.
- Extract and disseminate **lessons learnt and recommendations** to inform project managers, beneficiaries and policy makers.
- Bring together and strengthen the **community of beneficiaries** across programmes and exploit the potential of **cross-programme collaborations**.

Scope:

- The focus is on **delivering the energy transition in the buildings sector**, in two directions – (1) sharpening the awareness of project about relevant policy elements and agenda; (2) identifying results and best practices from projects:
 - o Market successes,
 - o Innovative schemes and mechanisms for energy efficiency in buildings,
 - o Support to implementation of the current regulatory framework,
 - o Successful innovation for achieving longer term policy objectives.
- Combination of a plenary, with **policy and EU institutional support highlights**, and of three parallel thematic break-out sessions covering **buildings rating instruments, deep renovation, and smart buildings and services**. An additional round of parallel sessions to address cross-cutting project-related issues (e.g., shared challenges, project management good practices, etc.) is also part of the event.

21 May	Timeslot	Title	Scope			Presenter
	13:30 - 14:00	Registration and coffee	N/A			N/A
	14:00 - 14:10	Event opening	Welcome and event scoping			CINEA.D1
	14:10 - 15:10	EE policy presentations	Energy performance of Buildings Directive recast			ENER.B3
Energy Efficiency Directive and EU institutional support for energy-efficient and sustainable buildings			ENER.B2			
EU programmes presentations		LIFE CET - supporting the delivery of EU policies in the field of buildings			CINEA.D1	
		Horizon Europe – innovation for buildings and industries in energy transition			CINEA.C2	
15:10 – 15:40	Ice-breaking session	Getting to know fellow projects			CINEA.D1	
15:40 – 16:00	Kickstarting parallel sessions	Towards parallel sessions			CINEA.D1	
16:00 - 16:30	Coffee break	Networking coffee			N/A	
16:30 - 18:00	Break-out session I	Buildings rating instrument (I)	Deep renovation (I)	Smart buildings and services (I)	Session leaders and projects representatives	
18:00 - 19:00	Networking cocktail	Drinks and light food			N/A	

22 May	Timeslot	Title	Scope			Presenter
	08:30 - 09:00	Coffee	N/A			N/A
	09:00 - 10:30	Break-out session II	Buildings rating instrument (II)	Deep renovation (II)	Smart buildings and services (II)	Session leaders and projects representatives
	10:30 - 11:00	Coffee break	N/A			N/A
	11:00 – 12:30	Break-out session III	Sharing experience and learnings from projects			CINEA.D1
	12:30 – 12:50	Financial quiz	Grant management quiz			CINEA.D1 and CINEA.C2
	12:50 – 13:00	Closing	Wrap-up / closing			CINEA.D1
	13:00 – 14:00	Networking lunch	N/A			N/A
